LIMITED LIFETIME WARRANTY

At La-Z-Boy, we design and build the majority of our own reclining mechanisms, then back them with a limited lifetime warranty ensuring your complete satisfaction. But, our reclining mechanisms aren't the only thing covered by a limited lifetime warranty. Our frame and spring support systems are as well. Fabrics are wear-tested, and for homes with children, pets or just everyday life, we have unique specialty fabrics that will suit your specific needs. Before our products are sent out the door, they're real life tested because superior quality control couldn't be more important to us.
