

The South Haven Collection offers an easy way to add personality to your furniture with upholstery choices to match any interior design style. With this collection, we have streamlined the decision-making process by offering all South Haven upholstery options at one price. Now you have style options that fit your budget!

### Dozens of Styles

The South Haven Collection features many stationary and reclining styles to fit your needs and your home's décor. Select a style from the reclining pieces listed here or choose a stationary style from the South Haven Stationary Furniture tearsheet.

### Over 100 Upholstery Choices at One Great Price

Select from an assortment of beautiful upholstery options and pillow fabrics all for the same price. Choose from over thirty upholstery patterns in almost ninety color choices and over fifty pillow fabric patterns in over 150 color choices. See a sales associate for a complete list of available upholstery options and pillow fabrics.
