We Are Best Home Furnishings.

Established in 1962 and based in Ferdinand, Ind., Best Home Furnishings is one of the largest furniture manufacturers in the world, committed to creating the best quality sofas, chairs, recliners and glide rockers at the most affordable price. Family owned and operated, Best has more than a million square feet of manufacturing space in five southern Indiana locations. The combination of the company's six "Power of Best" standards — quality, speed, selection, made in the USA, value and over 55 years — are unmatched by any other upholstered residential furniture manufacturer.

THE POWER OF
BEST

The combination of the company's six
"Power of Best"
standards are unmatched by any other
upholstered furniture manufacturer.

We work hard to ensure your profits are not eroded through unnecessary service issues after the sale has been made!

- Hardwood frame parts using native trees provide the backbone to a sturdy frame.
- Fully automated computer scan and cut systems process nearly 20 miles of lumber per day to read and cut out defects.
- Joints are doweled, screwed, glued, stapled and corner blocked.
- High stress points are reinforced with deep penetrating truss plates.
- Best employs over 60 seasoned upholsterers with an average of 16+ years of experience.
- Sewing inspection utilizes an 18 point checklist ranging from seam allowance to the number of stitches per inch.

THE POWER OF
QUALITY

A lot of suppliers tout their quick-ship programs which feature several products in a few fabrics, all available in several weeks or less. At Best Home Furnishings, we offer thousands of styles, covers and finish combinations all produced in days, not weeks; the industry's fastest turn around times. Depending on where your store is located, you may receive your shipment in less than two weeks!

That's not a quick-ship program,
that's a quick-ship company.

Increase your ROI - Decrease your inventory – Improve cash flow!!!

THE POWER OF
SPEED

Thousands of products.
Hundreds of fabrics and leathers.

Need we say more?

Proudly built with fine Southern Indiana craftsmanship.

For over 55 years, Best has employed some of the hardest working, most skilled citizens of this great country. Our 985 U.S. workers are responsible for the promise that is our name. Best Home Furnishings.

We are the value leader.

A simple, yet powerful philosophy is the foundation from which Best Home Furnishings was built. Our legendary quality standards are just as evident today as they were over 55 years ago. Close relationships with vendors and tight, efficient manufacturing processes allow us to remain very price competitive.

STATIONARY SOFAS

All in the family.

The sofa is the signature piece of most furniture collections. Select a Best stationary sofa, and you'll enjoy the ideal match for your decor, personality and way of life. Best sofas are synonymous with quality construction, durability and unmatched comfort. Whether you choose traditional or contemporary styling, customizing your Best sofa is a cinch. Choose from an extensive selection of custom fabrics, wood finishes and accent pillows. So take a seat, you'll be comforted knowing a Best sofa will be the perfect signature piece for you.

With over 700 custom fabric and leather options, you may opt for the same pattern, or choose complementary colors for items like chairs and accent pillows all built in days, not weeks.

**Easily coordinated.
Beautiful comfort.
Built to last.**

Performance Fabrics

Whether it's kids, pets, or your everyday lifestyle, family friendly performance fabrics by Best Home Furnishings will keep you covered. The construction on the inside and cleanability on the outside, we will ensure that new look, every new day. Best offers one of the largest selections of performance fabrics in the industry. We understand accidents happen, but stains shouldn't have to.

the Best QUALITY & CONSTRUCTION

COIL SPRING CUSHIONS

Coils are encased in fabric for enhanced resiliency, support and to eliminate permanent coil-set. Cushion is then wrapped in a high-resiliency polyester fiber for extra cushioning, comfort and durability. 21% less breakdown. Consistently comfortable & quiet.

Backs Filled with Premium Cushioning Fibers

Durable Hardwood Frame Parts

Extra Thick, High-Grade, High Density Foam

Individually Heat-Tempered Sinuous Wire Springs tied with Cross-Wires

Joints are doweled, screwed, glued and corner blocked

EXTRA THICK, HIGH-DENSITY FOAM/ HIGH-LOFT PREMIUM POLYESTER FIBERS
Plushest, most resilient seat in the industry.

DOWELED, CORNER BLOCKED, GLUED AND SCREWED

Multiple processes with extra reinforcements ensure solid, long-lasting joints.

SUPERIOR SPRING CONSTRUCTION

Sinuous wire springs are cross-wired to prevent sagging. Spring clips are coated with polypropylene to prevent squeaks.

FAST TURNAROUND

Solid comfort, custom-built in days, not weeks.
