The Relaxing Possibilities are Endless

How to Choose Your Perfect Sofa.

Style Selection

Various style options allow you to choose your optimal reclining comfort. Our reclining sofas provide the same comfort as any of our recliners, while our wall reclining sofas allow for fully reclined comfort with space-saving convenience. You can't go wrong when choosing your sofa.

Find Your Fit

Choose from a variety of reclining sofas, loveseats and sectionals with plenty of relaxing room to share. Use our storage consoles to transform a sectional into a home entertainment experience with row-like seating, beverage holders and hidden storage.

Personalized Comfort

Customize your furniture with options such as upgraded cushions for softness that adjusts to you, power that moves you from sitting to fully reclined in seconds, a stylish brushed nickel arc handle and much more.

Make It Yours

Create a look that's all your own with a variety of fabrics and leathers that suit any taste, style and budget.

Handle Options

Our sleek and ergonomic brushed nickel arc handle design makes reclining more stylish than ever.

Sectionals

Smart solutions for any sized space, sectionals allow you to maximize the seating area in any room.

Power

Smooth and effortless operation moves you from sitting to fully reclined in seconds. Choose from various models and options.

Go Cordless

Add a convenient battery pack to your recliner, and place your furniture anywhere within a room without the need to be near an outlet.

Choice of Fabric

When it comes to having plenty of choices, La-Z-Boy has got you covered. Your choices range from fabrics in all colors, textures and patterns to supple leather.

La-Z-Boy Plus TEMPUR-Response[®] Memory Foam

Combine a 2" layer of premium quality TEMPUR-Response memory foam over a high-resiliency foam base for the perfect balance of personalized comfort and targeted support.
