

# RECLINERS

Personalized comfort with unmatched quality.

All recliners are not created equal.

Sure, our recliners look great, but there's more to them than meets the eye. They are constructed with care, and engineered for comfort that lasts. Because, after all, it's what's inside that really matters.

## State-of-the-Art Frame Construction

Patented four-sided Unibody® frame to absorb stress.

## The Most Resilient Cushioning

Standard with high quality polyurethane foam or upgrade to La-Z-Boy Plus TEMPUR-Response® Memory Foam cushioning for one-of-a-kind support and deeper relaxation.

## Wear-Tested Fabrics

All fabrics must pass the highest standards for wear, including our stain-resistant iClean™ fabrics.

## Superior Quality Control

Real-life tested and backed by a limited lifetime warranty.

# The relaxing possibilities are endless.

## Add options for personalized comfort.

### Handle Options

With our sleek and ergonomic brushed nickel arc handle design, reclining is more stylish than ever. For your convenience, the handle can be placed on the left or right side of the chair.

### La-Z-Boy Plus TEMPUR-Response® Memory Foam

Combine a 2" layer of premium quality TEMPUR-Response memory foam over a high-resiliency foam base for the perfect balance of personalized comfort and targeted support.

### Swivel Base Design

For even more movement and relaxation, add a swivel base that smoothly rotates 360-degrees.

### Extra Tall Base

Our heightened base option adds an additional 1.5" to the seat and overall chair height.

### Handheld Remote

Easy-to-use remote is available on all Power Rocking Recliners and Power Wall Recliners.

### Wireless Remote

On select styles, add a wireless remote with two memory options, plus home and do-not-disturb buttons for even more convenience.

### Heat and Massage

Add heat and massage settings to select recliner styles for extra warmth and relaxation.

### Go Cordless

Add a convenient battery pack to your recliner, and place your furniture anywhere within a room without the need to be near an outlet.
