## OUR STORY

*At Artisan & Post, we are known for our commitment to making high-quality, hand-crafted furniture that exclusively features the 3 great American hardwoods: Solid White Oak, Solid Maple or Solid Cherry. Each piece is meticulously crafted by skilled artisans using wood working techniques handed down through generations of woodworking experience.*

*Your bedroom suite features both the depth and variety of finish that's only possible when using Solid Wood. And with Solid Wood, your bedroom set is built to last a lifetime.*

### MADE IN THE USA

*Since 1919, our company has been manufacturing quality wooden bedroom furniture in our own factories in the Virginia mountains. About 500 skilled craftsmen and craftswomen utilize Solid American White Oak lumber — harvested from within a day's drive of our factories — to create this Solid White Oak bedroom collection.*
