19189	Misero	31 = Cream 86 = Delfin	2	MU	10/1/23	DR	100% Polyester		N				S	A deco inspired motif with a casual twist, Misero's relaxed aesthetic is achieved through low pile boucle, chenille details and soft neutral colorline. The evening linearity of the pattern is strong and bold, with no finessness in sight.
19190	Ajay	29 = Pine 70 = Barley 78 = Java 87 = Saffron	4	MU	10/1/23	PS	100% Polyester		P				WS	A classic windowpane textural plaid, woven with a dense heather chenille. The novelty yarn-dyed texture is created with an intricate weave of contrasting color.
19195	Marlin	19 = Persimmon 74 = Bark 86 = Bakers	3	MU	10/1/23	NP	100% Olefin		M	W*B			W*B	A variegated stripe with an organically drawn aesthetic. Marlin is designed to work with any style interior, adding hints of color and will tie feature correlates and base cloths together seamlessly.
19215	Cypher	25 = Moss 48 = Golden 55 = Charcoal 79 = Espresso 81 = Saw	5	MU	4/1/24	DR	66% Olefin, 34% Polyester		N	W*B			W*B	Cypher is a single-layer, diamond motif, created on a tonal, multi-colored warp and complimented with a tonal, multi-colored boucle fill yarn. The tight weaves work to outline the flow of the diamond. It's scale and simplicity allow it to combine easily with other patterns and base cloths as well as transcend design styles.
19217	Haze	66 = Terracotta 34 = Delftwood 58 = Granite 86 = Lake	4	MU	4/1/24	UR	62% Polyester, 38% Acrylic		N				WS	A unique feature pattern, Haze is a seamless blend of novelty yarns and weave effects, layered with digital printing to create a highly stylized, beautifully colored, versatile interpretation of an ikat motif.
19218	Mod Squad	07 = Ridge 30 = White 72 = Delftwood 86 = Moss	4	MU	4/1/24	UR	92% Polyester, 8% Linen		N				S	Mod Squad is composed of modern and organic shapes flowing through the motif, creating a striking multi-colored accent. Scaled for use on chairs, ottomans and pillows, this pattern is a digital heat transfer print on a tightly woven polyester and linen blend base cloth.
19244	Triangular	99 = Seal 59 = Charcoal 62 = Delftwood 87 = Saffron	4	MU	10/1/24	UR	53% Olefin, 47% Polyester		N	W*B			W*B	Triangular is a three-color pattern of imperfect small-scale triangles. Organically drawn to give the pattern a handmade look and playful style. The smaller scale can blend in as an accent or stand out with and expertly selected plaid.
19246	Keeline	52 = Flax 58 = Charcoal 65 = Oatmeal 74 = Salvia	4	MU	10/1/24	PS	100% Olefin		N	W*B			W*B	Keeline is a modern-day classic, redefined. It is a simple and timeless plaid with a handloomed appearance in a versatile chair scale. It is woven on a fine multi-colored heathered warp with a combination of fine and chunky multi-colored heathered fill yarns.
19247	Tamarindo	18 = Sienna 52 = Taupe 66 = Charcoal	3	MU	10/1/24	UR	99% Polyester, 1% Acrylic		N				S	Tamarindo is a textural landscape feature. The pattern is woven with a variety of novelty yarns to create an undulating stripe of high and lows.
19248	Montebello	14 = Cognac 20 = Pine 30 = Natural 34 = Porcelain 41 = Barley 84 = Moss	6	MU	10/1/24	PS	89% Polyester, 11% Acrylic		N				WS	An interlocking ogre, Montebello, is created with a variety of novelty yarns and woven on a jacquard striae warp. The motif is textured and brought to the foreground of the textile with a heathered boucle yarn.
19250	Benedict	54 = Moss 69 = Almond	2	MU	10/1/24	PS	100% Polyester		N				W	Benedict draws inspiration from classic ironwork, featuring clean lines and a timeless aesthetic. Subtle variations in weave texture within the design introduce just the right amount of visual interest and warmth, while the use of tonal yarns enhances its natural appeal.
19255	Dorsey	15 = Penny 29 = Moss 87 = Barley	3	MU	10/1/24	VS	48% Polyester, 39% Olefin, 10% Acrylic, 3% Flax		N				S	Dorsey is a classic ticking stripe with hints of accent color. It is a mechanically designed textile with textural lineations of high and low effects enhancing weave the contrasts.
19283	I-Kitsiano	21 = Fern 03 = Denim 62 = Stone 86 = Saffron	4	MU	4/20/25	VS	100% Polyester		N	I			WS	I-Kitsilano reinterprets a classic traditional stripe with a modern woven construction, enhanced by its generous scale. Multicolored raised chenille stripes contrast with the flatter woven ground, adding depth and dimension. Crafted on a Dobby loom with dense, chunky chenille yarns, this fabric offers a plush, soft feel and rich texture, while i-Clean® performance technology ensures easy maintenance.
19285	Hassett	17 = Apricot 39 = Cream 59 = Soot 79 = Camel 86 = Saffron	5	MU	4/20/25	UR	70.21% Olefin, 29.79% Polyester		N	W*B			W*B	Hassett is a yarn-dyed woven chair-scale pattern inspired by traditional block prints featuring flora motifs. Constructed with solution-dyed polypropylene, it features a multi-tonal warp with chenille and tassel fill for added texture. This durable fabric offers superior cleanability with soap and water or diluted bleach for tough stains.
19289	Josephine	07 = Papaya	1	MU	4/20/25	DR	50% Polyester, 50% Cotton		N				S	A classic ticking stripe, Josephine, features a soft, cotton-like feel with a balanced texture and weight. The simplicity of its two-color stripe adds versatility, bringing a warm and inviting touch to any space.

The highly textured stripe utilizes boucle yarns adding interest and texture. A distressed look that can cross from modern to ethnic interiors. The ground weave is a broken herringbone created from a heathered multi colored yarn adding an additional textural interest to the look. Woven on a performance recycled warp, this fabric not only provides sustainability but also superior performance. Cleaning is so easy. Clean with soap and water or diluted bleach. Truly a fabric that checks all the boxes for today's consumer: beauty, sustainability and performance.
Q1977	Tinsley	26=Botany	1	MU	4/1/23	DR	100% Polyester		N	W*B			W*B	
Q1985	Tuscadero	35 = Barge	1	MU	10/1/23	DR	84% Polyester, 16% Polyurethane		N				WS	A contemporary adaptation of a traditional rug design, the motifs in various scales visually soften this feature. The heavier ground weaves balance the more intricate weave effects in the foreground to emulate a handloomed heritage textile.
Q1987	Evermore	48 = Golden 79 = Mineral	3	MU	10/1/23	DR	56.3% Polyester, 19.5% Pre-Consumer Recycled Cotton, 17.7% Cotton, 6.5% Post Consumer Recycled Polyester		N				S	A modern, sophisticated, chair scale geometric that will bring pop and style to any interior. Evermore is woven with a polyester slub yarn that creates hints of texture in ground weave.
Q1991	Trine	48 = Golden 56 = Slate 86 = Moss	3	MU	10/1/23	DR	83% Polyester, 17% Polyurethane		N				WS	Organic in look and design, Trine is a modern geometric. Hand drawn sculptured motifs lay softly against a subtly textured chenille ground, striking the delicate balance between casual and sophisticated.
Q1992	Fascinate	07 = Black 19 = Clay 81 = Sky	3	MU	10/1/23	PS	40% Polyester, 31% Post Consumer Recycled Polyester, 29% Olefin		M	C			WS	Fascinate boasts clean lines and smooth curves to create a sense of order and balance that is both calming and invigorating. Bold coloration and textured yarns combine to add depth and dimension against the soft ground.

This jacquard features a stripe of color in both ground and figure. The intricate basket weave creates texture and uses a novelty chenille for softness.
Q1994	Echo	50 = Black 73 = Brown Sugar 85 = Stormy	3	MU	10/1/23	UR	63.7% Olefin, 36.3% Polyester		N	W*B			W*B	A refreshing take on an ethnic block pattern, the weave and texture add a worn away feel and authenticity to this accent, comprised of chenille and novelty boucle.
Q1996	Alora	36 = Spice 53 = Linen 74 = Tobacco 87 = Steel	4	MU	10/1/23	DR	66% Polyester, 34% Cotton		N				WS	A multi-colored and versatile full rib plain construction. Alora was designed to emulate a rustic worn-away texture using layers of different yarns. It can be used as a base, mixer or feature pattern in an interior design.
Q2012	Foliage	27 = Olive 48 = Golden 85 = Powder	3	MU	4/1/24	DR	68% Olefin, 34% Polyester		M	W*B			W*B	Foliage is a dense, four layer jacquard woven on an end on end warp, allowing for the multitude of weave and color options that were used to create this watercolor floral. Transitional in design, this abstract drawing can work as either a subtle or a bold accent depending on the color selected.
Q2059	Trimbur	32 = Oyster	1	MU	10/1/24	NP	49% Rayon, 47% Polyester, 4% Cotton		N				WS	A traditional rug pattern with a lovely soft hand. The distressed look to the surface texture gives the fabric a sense of worn history blends well with leather and warm neutrals. It is woven on a two-color end and end warp. The fill consists of a soft polyester chenille, spun rayon and a touch of cotton.
Q2080	Creed	32 = Natural 66 = Smoke	2	MU	4/20/25	DR	100% Polyester		N				S	This jacquard woven abstract pattern features a textured polyester warp and multiple weft yarns for added depth and softness. Its subtle geometric design embraces the trend of organic flow and tactile appeal.

Leather Descriptions/Dot

Autentic (Tan) = **A** Pure, transparent dyes enhance natural markings such as wrinkles, scars and brands in the hide. The dramatic color variations created are prized as hallmarks of quality and give each piece character. Authentic leathers have a special protective topcoat that maintains the beauty and integrity of the hide.

Performance (Teal) = **P** The consistent overall color and subtle markings of Performance or protected leathers are achieved through techniques, such as embossing, corrective techniques and protective coatings, to improve the leather's natural beauty.

Nubuck (Blue) = **N** Nubuck leathers are infused with pure, transparent dyes to give them subtle color variations and the character of the hide such as wrinkles, scars, brands, and other hallmarks of the trail. The result is perfectly at home with today's way of living.

Description(s)

These semi-aniline hides are aniline dyed and then finished with a special feel agent added in the retannage to give the hides a superior touch. Because the feel agent is in the retannage it will not wear off over time. **Special Effect:** Along with the luxurious touch of Aline, a subtle two tone is added in the end to add to the visual depth and interest of this leather. The color pallet ranges from traditional colors to transitional to contemporary giving this article universal appeal across all types of styles. This tannage also provides an antimicrobial element due to special finishing. Please reference the marketing portion of our cover presentation for more detail!

The dyeing process for Ankur is carried out in drums by means of aniline colorants which ensure a very high degree of light-fastness. High quality fats are used to maintain and enhance the natural softness of the hide. The hand of Ankur is achieved through a specific type of re-tanning with a long period of drum milling. **Special Effect:** After finishing, a special effect roller adds a two tone effect that simulates a genuine hand rubbed effect to the leather. This tannage also provides an antimicrobial element due to special finishing. Please reference the marketing portion of our cover presentation for more detail!

Aravalli features a classic pebble grain that is hand-rubbed to create a subtle, natural two-tone effect, providing both depth and dimension. Hides are robust, soft and smooth, featuring a radiant medium-high sheen. Versatile and chic, this leather is ideal for active households.

Athena is elegant and sophisticated and has a soft fit that adapts very well to luxury furniture, with an uncluttered but rustic appearance. Athena brings an unprecedented softness using waxy technology. The more apparent grooves allow greater contrast between low and high relief, bringing a special shine. Being the first iClean™ leather, your environment will be luxurious and protected with Athena.

Comaraderie is a pigmented leather with a two tone sauvage effect and thickness of 1.0-1.2MM. This tannage features a very soft hand and excellent clarity in the finish.

Sophisticated and creamy, Central Park is a crowd-pleaser. With a smoky two-tone, silky smooth hand, and thin-cut that allows drapeability, Central Park brings a cosmopolitan touch to any style. Versatile and very soft, Central Park is ideal for active households and works well on motion and reclining.

This article is a semi aniline with a natural grain and a thickness of 1.0-1.2mm. Clifton, hand rubbed at the tannery, it's two-tone is rich in both color and depth and has medium sheen.

Cozy Match is a soft, transparent, protected leather with a subtle two-tone effect that enhances the look of the color giving it depth and clarity.

Cranbrook is a semi-aniline dyed leather presenting a natural pebble grain appearance while showcasing a distinctive depth and clarity of color. Due to the higher quality of rawhide selection and supple characteristics, as well as a heavier gauge hand, this [article of leather tailors extremely well](#).

A semi-aniline, natural grain leather, Dean, has a thickness of 1.0-1.2mm providing nice drape and a soft, supple hand. Additionally, the leather is finished with a subtle, two-tone effect and an understated sheen in the topcoat.
