Luxurious Fabrics - There Is Nothing Softer Than Brisa®

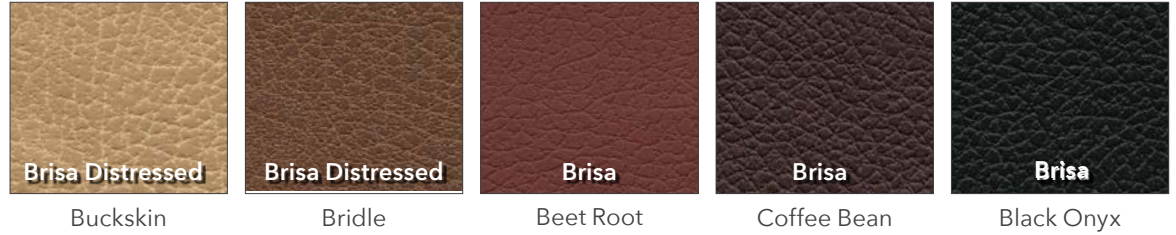

As the world's most outstanding breathable performance fabrics, Brisa® and Brisa® Distressed deliver unmatched comfort and durability. Butter soft, your new chair will be the most sought after seat in your home. With a supple hand, softly textured aesthetic, and inherent ventilation system to promote air circulation, Brisa and Brisa Distressed are simply designed to do more.

Elements of Brisa

A perfectly curated palette to bring the beauty of the outdoors, in.

Earth – Rich, organic shades celebrate our love for natural materials and ground us.

Water – Timeless shades that represent the depths found in the open seas.

Wind – From a warm, calming breeze, to a crisp gentle air, wind symbolizes renewal and healing.

Highlights Include:

Exceptional wear resistance (300,000 double rubs)

Climate control technology regulates temperature changes

Bleach cleanable (1:5 bleach/water solution)

Plush, luxurious feel that enhances and encourages comfort

No PFAS, PVC, plasticizers, or other toxic chemicals

Low VOC's support healthier indoor air quality

Indoor Advantage Gold Certified

Lifetime Warranty Against Cracking, Fading and De-lamination

Elevate Your Wellness & Comfort

WITH AVAILABLE POWER PORT ACCESSORIES FOR THE **UC472, UC477, UC566 & UC576**

ELEVATE YOUR WELLNESS & COMFORT

WITH NIRVANA™ SWEDISH AIR MASSAGE WITH FULL-BODY FAR INFRARED HEAT THERAPY

Nirvana™ inflating air massage chambers that elongates muscles from prolonged sitting!

— Represents Nirvana™ areas.
— Represents HeatWave™ areas.

What is the Nirvana™ Swedish Air Massage System?

Nirvana delivers a gentle, full-body soft tissue Swedish massage with ten air chambers that target over **500 square inches of your body**. It features separate massage controls for your lumbar, glutes and hamstrings plus two modes for soothing or stretching massage, allowing you to adjust and customize your comfort level for total mind and body wellness.

In addition to massage, Far Infrared heat delivers therapeutic warmth from your shoulders to your feet, that penetrates up to three inches into body tissue. It can help reduce inflammation, relieve joint pain, alleviate muscle tension, improve circulation, and support injury recovery.

Healthy Benefits of Nirvana™ Swedish Air Massage System

The soothing Swedish massage and deep penetrating Far Infrared heat work together to relax and elongate muscles, relieving stiffness that can result from prolonged sitting. This combination of therapies will transport your mind and body into a state of bliss, restoring your body from the inside out.

ELONGATE, RESTORE & REVITALIZE YOUR BODY!

Available on the UC793, UC562, UC576 & UC566. Standard on the UC477.

Wellness benefits can include:

- Decreased pain & discomfort
- Enhanced relaxation
- Improved flexibility & range of motion
- Improved posture
- Increased blood flow
- Better quality of sleep
- Reduced anxiety
- Encouraged cellular recovery
- Better overall mind & body wellness

Level Up Your Comfort Experience and Add One of These Luxury Heat Options!

OPTION 1: FAR INFRARED HEAT

FAR INFRARED HEAT FOR YOUR BACK, SEAT & LEGS

Like a ray of sunshine, this innovative technology produces invisible Far Infrared heat waves that deliver healing warmth up to three inches deep into body tissue where it is most effective. Using HeatWave Technology™ helps us feel more relaxed, get better sleep, and react to stress in a calmer way throughout our day.

OPTIONS 2 & 3: HEAT & VIBRATING MASSAGE

Ambient heat paired with vibrating massage provides a relaxing experience that can soothe sore muscles and provide a feeling of relaxation and warmth. Allow the vibration of the massage to stimulate the nerves while the heat encourages tight muscles to relax.

DELUXE OPTION

- Heat in the lumbar with two settings: Low & High
- Four vibrating massage motors: two in the lumbar & two in the seat
- Two vibration settings: Wave & Pulse
- Adjustable massage intensity & speed

Available on the UC682, UC568, UC562, UC559's & UC556.

BASIC OPTION

- Two vibrating massage motors in the lumbar
- Heat in the lumbar

Standard on the UC342.

Standard on the UC520 & UC472. Available as an optional feature on the UC793, UC568, UC562 & UC556.

Possible Benefits of HeatWave Technology:

- Promote Overall Mind & Body Wellness
- Provide Pain Relief
- Enhance Relaxation
- Improve Circulation
- Reduce Anxiety
- Stimulate Cellular Recovery

THREE INNOVATIONS. One Unmatched Comfort Experience.

Comfort Zone

by ULTRACOMFORT

com • fort zone *noun* | a place or situation where one feels safe or at ease without stress

The Comfort Zone by UltraComfort offers a stress-free reclining experience by providing up to five patented and supportive positioning zones that can increase your body's wellness and optimize the feeling of comfort.

LOWER BODY

Zone 1 helps provide ergonomic relief to the muscles and joints in your lower body with the four-way motion of the seat and adjustable footrest.

UPPER BODY

Zone 2 allows stress and strain to be released from your upper body by adjusting the backrest to suit your needs. This combined with Zone 1 creates our patented Stellar positioning.

HEADREST

Zone 3 helps relieve strain or tension with an adjustable headrest that supports the natural positioning of your neck, shoulders and spine.

LUMBAR

Zone 4 offers adjustable lumbar support to help take pressure off your spine while giving your lower back muscles a chance to rest and rejuvenate.

ECLIPSE TILT

Zone 5 helps to encourage circulation, release muscle tension and alleviate joint pain with the first-of-its-kind, **PATENTED Eclipse™ Tilt**. This feeling of weightlessness moves you into a zone of comfort that you never felt before!

ECLIPSE™ TILT TECHNOLOGY

Eclipse Tilt Technology – This patented tilting system is designed with your health in mind. By gently elevating the legs or placing the body in a neutral, balanced posture, it helps improve circulation, reduce pressure on the spine and joints, and support overall physical well-being. Ideal for those seeking therapeutic comfort and daily wellness support.

STELLAR™ POSITIONING

Stellar Positioning – This patented technology is designed to support your well-being by offering a variety of healthy, stress-free positions. The seat moves in four directions, while the backrest adjusts independently, helping you find the most comfortable and supportive posture for relaxation and overall wellness.

Comfort That's Patented™
