As an intellectual property law speaker, patent attorney Rashauna Norment provides entrepreneurs, business owners, and other attorneys with critical information about identifying, protecting, and defending the heart of their business – their intellectual property. Attendees are introduced to the **DREAM UNIQUE® C|U|R|E|D™** method: **Create | Use | Register | Enforce | Defend™** for branding with **trademarks**, protecting creative works with **copyrights**, protecting inventions with **patents** or **trade secrets**, and effectively using **intellectual property contracts**. Attendees will leave the DREAM UNIQUE® Seminar or Workshop with the basic IP tools needed to build and strengthen each attendee's IP foundation.

### ***About the Speaker, Rashauna Norment, Patent Attorney***

A speaker for over 10 years, Ms. Norment provides intellectual property law continuing legal education (CLE) courses to attorneys, and seminars and workshops to entrepreneurs, business owners, business accelerator groups, small business development center groups, and higher education student groups. She was an adjunct law professor, teaching IP law courses. As a registered patent attorney Rashauna Norment Law Firm, PLLC (www.normentlawfirm.com, an IP law boutique), Ms. Norment provides patent, trademark, copyright, and IP licensing legal services to her clients.
