In 2004 WWII veteran flight engineer (TT) Edward Hinrich's daughter Patricia St. Onge went to the National Archives in College Park, Md and scanned all the loading lists and flight plans for the 452nd group into pdf files. The files were put onto a CD and made available to the other 452nd members.

In 2005 WWII veteran bombardier (B) Samuel Celum's daughter Mary Ann Baker printed out all the pages, put the pages into sheet protectors and indexed the missions.
