

Manufacturing Equipment Line

Vertical CNC Mills

| Machine | Axes | # of Tools (max) | Max Travel | | | Table Size | Spindle RPM (max) | IPM (max cut) | Table Weight (max) |
|--------------|------|------------------|------------|-----|-----|------------|-------------------|---------------|--------------------|
| | | | X | Y | Z | | | | |
| HAAS VF-3 YT | 3 | 20 | 40" | 26" | 25" | 54" x 24" | 12,000 | 500 | 3500 lb |

Horizontal CNC lathes

| Machine | Axes | # of Tools (max) | Chuck Size | Part Swing (max) | Bar Capacity (max) | Between Centers/Chuck | Spindle RPM (max) | IPM (max cut) | Max Rating |
|---------|------|------------------|------------|------------------|--------------------|-----------------------|-------------------|---------------|------------|
| | | | | | | | | | |

Support Equipment

- WellSAW horizontal band saw
- Various vertical band saws
- Various bench top belt sanders
- Various pedestal grinders (w/diamond)

Support Software

- BobCAD-CAM V32
- Solidworks 2020
- Predator Virtual CNC
- Predator CNC Editor
- Photoshop CS4

Quality Management System

- **ISO 9001:2015 compliant**
- Documented inspections
- Dedicated quality department
- Climate controlled environment
