**REFERENCE LETTER FOR MS. DENISHIA, FOUNDER AND CEO, THE MODEL
BOUTIQUE & CO. DBA THE TOP MODEL COACH**

To whom it may concern,

I am writing this reference to support the work of Ms. Denishia, Founder and CEO of THE MODEL BOUTIQUE & CO. DBA THE TOP MODEL COACH. In 2021, I was invited to one of Ms. Denishia's fashion shows and was so impressed by the event and her leadership that I enrolled my 13-year-old daughter in her modeling camp. My daughter not only enjoyed herself but she learned so much about herself, her potential and I witnessed first hand how her confidence grew under the mentorship and professionalism of Ms. Denishia. I am convinced that all young girls would benefit from enrolling in Ms. Denishia's modeling camps at THE MODEL BOUTIQUE.

This last year, my daughter had the opportunity to participate in two fashion shows with THE MODEL BOUTIQUE and once again it was a growth experience for her which she thoroughly enjoyed. Ms. Denishia has a gift for selecting excellent designers and has extremely high standards for her makeup artist and stylist. My daughter has learned so much about excellence, and leadership from her experience with THE MODEL BOUTIQUE. This year, I sponsored another young woman to attend THE MODEL BOUTIQUE camp with Ms. Denishia because I wanted her to experience what my own daughter had experienced.

In short, Ms. Denishia is a leader who is passionate about her work, her models and the industry. Thank you for accepting this reference letter on behalf of Ms. Denishia, Founder and CEO of THE MODEL BOUTIQUE.
