Each entity receiving funding must ensure a state grant fund and project income account are established with the county auditor's office, in order to deposit the monthly payment, which will be sent via electronic fund transfer (EFT). Please work with your auditor regarding appropriate fund distribution for each grant funded entity.

Payment will be disbursed immediately upon full execution of the contract. The entity or entities will receive a 25% advance of the total awarded amount and 12 additional monthly payments will follow.

The contract will be sent electronically to the county auditor for electronic signature of the contract with the State of Indiana. Please verify the information listed below. If the information is not correct, please contact Donna Gossett at dgossett@idoc.in.gov as soon as possible.
