and general welfare of the Briggs Lake Chain [Julia, Briggs, Rush and Big Elk] and
adjoining and connecting waters...*

www.briggslakechainassociation.com

The Palmer Community Directory is prepared and distributed by the Briggs Lake Chain Association (BLCA). It lists residents of Palmer Township, the Big Elk Lake area of Clear Lake Township, and parts of St. Cloud. The center spread has maps of the lakes area with a location code to assist in finding lakeshore and off-lakeshore homes.

Public property information was received from the 2020 Sherburne County, Palmer Township, and Clear Lake Township websites.

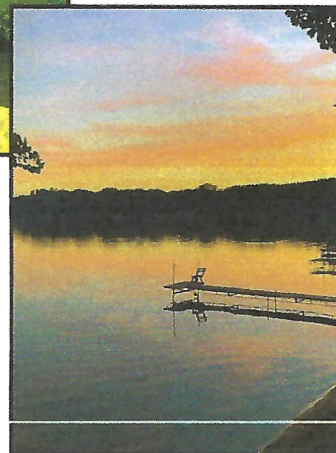

Phone Numbers: The county does not supply residents' phone numbers. The numbers listed in this directory are compiled from submitted Membership Forms and updates provided by residents themselves.

New to the Area? Contact the BLCA. The association provides materials about our community and the lakes. You don't have to be a member/sponsor for this service. You will be able to list your phone number, receive the BLCA newsletter, receive e-mail alerts about rising water and other urgent matters by providing the necessary contact information to the BLCA. Yes you will also be able to donate to sponsor the association, fund the July 4th fireworks display, maintain the dam for the upper three lakes, help fund programs to control invasive aquatic plants & animals and protect and improve the water quality of the lakes and waterways.

Honorable Mention

Second Place:
Colette Warner and Trent Johnson
