Old Business:

Milfoil survey has been done by James Johnson. Rush Intercept Survey is complete. Should see both by next month's meeting.

James is not concerned with loose vegetation, only the rooted plants.

North end of Rush has a higher concentration of Milfoil than in previous years. Will be hit hard next year.

Lake Level Bayou – SCWD has made some progress with the MPCA for them to start monitoring water levels.

Looking at South of the bayou bridge on CR 16 for instrument placement.

Mike F will present data collection information at the Nov meeting in regards to the Elk River above the Bayou.

New Business

Liability Insurance has been renewed.

Researching available grants for flood control with the DNR.

SWCD has not announced their grants as of Oct 1st

Meeting adjourned 6:35
