Aquatic Invasive Species (AIS) Control Frequently asked question.

Why are you asking for donations for AIS? I thought the "Three Lake Lid" takes care of that?

The Three Lake Lid will treat and manage Curly- Leaf and Eurasian Water Milfoil in common areas areas of the upper three lakes. Your AIS donation will help the BLCA pay to monitor Big Elk Lake and Lily Creek for AIS spreading from Rush. There are other AIS prevention activities the BLCA works on such as boat inspections, volunteer milfoil hand pulling, monitoring for zebra mussels veliger and general AIS education. These projects aim to keep LID costs to a minimum by promoting prevention and keeping costs down with unpaid volunteers.

PS: There are no Zebra Mussels in our lakes at this time.

Fourth of July weekend fireworks Frequently asked question.

Why don't we have the fireworks on July 4th? We get a big discount if we have our display on the 5th.

Did you know RES PYRO, our fireworks company, is one of the biggest in the state? They do all the St Paul Saints, Twins & Viking games .. The State Fair, Mpls. Aquatennial, Mpls. & St Paul 4th of July show and many more.

Big Elk Fish Stocking with walleyes and sunfish They eat carp eggs.

If you are interested in helping with BLCA fundraising and/or other events please check the boxes next to the projects you can assist with. We can use the help and appreciate having fun working with people we might not otherwise meet.

Contact any board member or Karen Jones if you have any questions or want more information.

Karen Jones is our event volunteer coordinator Phone: 320 743 4727 or email karenj55319@midco.net
