

### **Summary of the Healthy Lakes Meeting - June 3, 2021**

There were 6 people in attendance We discussed the following:

- TLID update - TLID is continuing to prepare for the annual meeting in August. Curly Leaf Pondweed has been treated. James Johnson will do a follow-up survey in July to check for Eurasian Milfoil (including Big Elk Lake)
- Water Testing update - water testing and clarity monitoring has started. Volunteers will continue to check clarity and take samples though out the summer.
- Sherburne County Park Update (Wiese property) - nothing new to report.
- Big Lake LID Status - A letter has been drafted to be sent to the commissioners by a resident of Big Elk Lake.
- Gentle Footprint Projects and Grants/SWCD money - Chuck will be at the annual Briggs Lake Chain Association Meeting on June 11 with information and a presentation.
- Golden Clam update - The DNR is encouraging us to check for Golden Clams around our shoreline. They have found 162 year to date and all have been near the Briggs Lake landing.
- 2021 Healthy Lakes Goals - The Sherburne County Board of Adjustments is undergoing changes which could affect our representation (Palmer Township) - we were encouraged to write letters to Nancy Riddle stating that we want to be represented.

**The next Healthy Lakes meeting is on July 1st at the Palmer Township Hall at 6:30 PM. Everyone is welcome!**
