Kenzie P A

Guests:

Call to Order at: 6:00

Adoption of Agenda: Motion by Harry E 2nd by Nancy pass

Changes : Review Shoreline Spraying Letter

Approval of Minutes: Motion by Nancy 2nd by Harry pass

Changes : None

Financial Report: Bills paid:

Account balance: \$84,757.82

Motion by Nancy 2nd by Steve D pass

Officer Reports:

Chair: Thin Ice signs are installed by the spillway on the west property. Water patrol asked if we wanted a warning buoy in front of the spillway. They said it is not required. The TLID would like to see it to ease fear of boats damaging the spillway.

We have been approved for up to \$13,200.00 in DNR grant money. This may go down after the spring survey determines the amount of spraying needed. But we are maxed out at that sum. The SWCD grant that we applied for on spraying could be reduced depending on the DNR amount. The SWCD doesn't want to see organizations get double grant payments for spraying.

TLID will be sending a check of \$3800.00 to the SWCD for 2020 boat inspections at the upper three lakes. That will be 200 hrs to be divided equal among the three lakes. SWCD will also sponsor 100 additional hrs on Briggs and 50 hrs on Rush. Under their formula Julie will not see inspection hrs other than the ones bought by the TLID.

Vice-Chair: None

Secretary: None

Treasurer: None

Advisor: None

Old Business:

Alum Treatment – the information that was gathered by Nancy Hahne on alum treatments has been forward to Dan C at the SWCD. The TLID will continue to keep alum treatments on their radar.

James Johnson – Waiting for Ice Out in order to start surveys.

Weise Property – Nothing to report.

Ice Out – Harry E will monitor ice out an Briggs and report date to the DNR

New Business:

COLA – After discussion the TLID will concentrate on participation in the One Watershed and keep informed on the COLA thru BLCA contact.

Near Shore Spraying Notice – this is in regards to the notice that the TLID will be putting in the local newspaper informing in order to get a waiver to spray within 150ft of shore. Mike will send draft letter to Wendy Crowley at the DNR for approval before placing in paper.

It was decided to put the I-Lid access monitor system on the TLID monthly agenda to keep discussion active

Adjourn at 6:30
