

Sherburne County Septic Systems and Wells

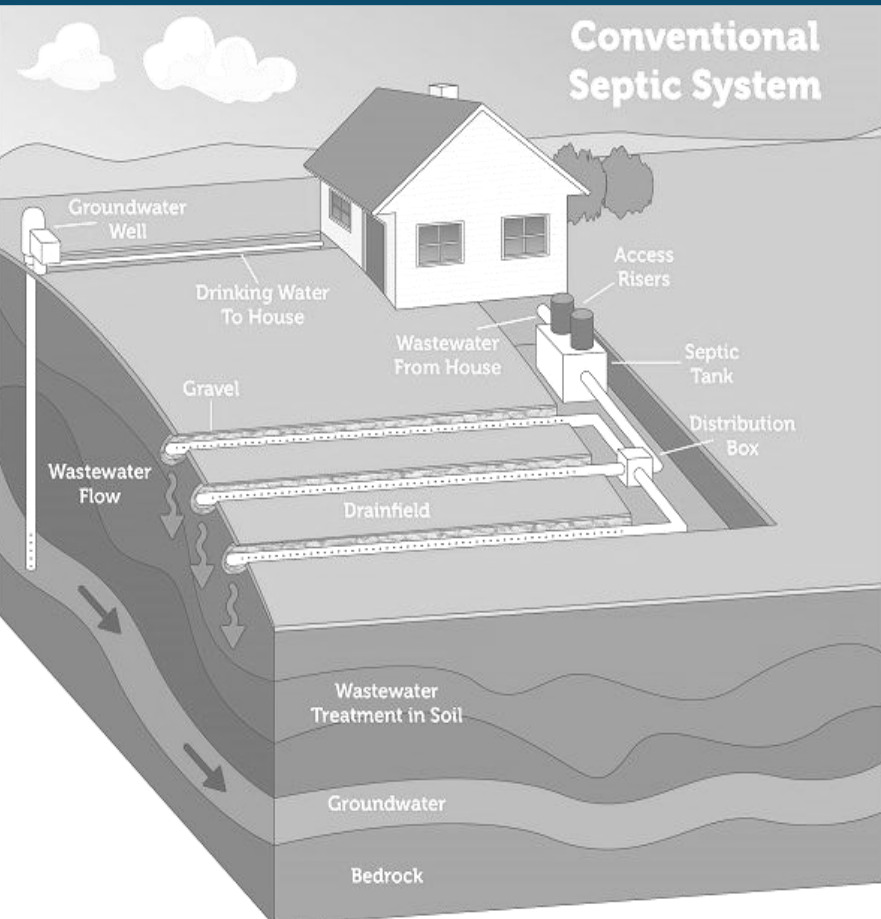

Monday April 27th, 2020

5:30-7:00 PM

Sherburne County Government Center

13880 Business Center Dr, Elk River, 55330

*This is a free workshop for homeowners to learn about septic systems and wells
(Free well test kits available).*

Please note: Septic systems vary. Diagram is not to scale.

Topics to be covered:

Septic Systems

- How they work and when to pump
- Purpose of the tank and drainfield
- Importance of the soil under the drainfield
- Purpose of an SSTS inspection and what it is
- How often to inspect a system
- Additives in systems
- Freeze prevention

Well water

- Safe drinking water
- How to test your well
- Risks for well contamination

UNIVERSITY OF MINNESOTA

This class is made possible through a grant from MDH Contaminants of Emerging Concern Program from the Clean Water Land and Legacy Amendment.
