What The Croque PTY LTD was established in 2022 by Amy and Eric, who dreamed of sharing their joy of life with others through serving delicious food and coffee!

Eric, a born and bred Frenchman and Amy, Australian with Italian heritage met in 2008 and bonded quickly over their love of food and zest for life.

14 years, some travel, a wedding and two kids later, they wanted to build a business of their own and show their children the value of working hard for something.

Specialising in French Toasties inspired by the 'Croque Monsieur' and incredible coffee, their custom vintage caravan quickly became well known for catering to private and corporate events, school functions and markets around Adelaide.

What The Croque CAFE takes this to the next level by offering locals a place to get their favourite French Toasties in a permanent location, plus an expanded menu for all to enjoy.

The OG caravan still makes its way to special events around Adelaide - so be sure to look out for it!
