UPCOMING SHOW:

Rehearsal for Murder

Jan 16-18, 2026

Rehearsal for Murder is a suspenseful murder mystery set in the world of theatre. One year after the tragic suicide of his fiancée, a famous actress, playwright Alex Dennison gathers the cast and crew of their last production for a new “reading” in a Broadway theatre. But this isn’t a typical rehearsal. As the evening unfolds, Alex reveals he believes his fiancée was murdered—and he intends to use the rehearsal to expose the killer. Through reenactments, confrontations, and shocking revelations, the line between performance and reality blurs in this clever, twist-filled whodunit.
