ACQUISITION

World-class acquisition leadership. We bring proven experience managing complex projects, CONUS and OCONUS.

BUDGET - FINANCE

Aligning program requirements with strategic resource allocation. We ensure rigorous fiscal discipline and the precise execution of financial targets.

CONTRACTING

Navigating the full spectrum of contract authorities. We specialize in both FAR and non-FAR instruments, including OTs, CSOs, & SBIRs, to accelerate tech transition.

ORGANIZATIONAL OPS

We turn requirements into executable roadmaps leveraging decades of senior leadership and strategy development experience.

ABOUT US

Quantum64 bridges the gap between emerging technology and critical government needs. We are a **TS-cleared SDVOSB** with deep domain expertise in full lifecycle acquisitions leveraging both **FAR and non-FAR contracting models**. Our leadership team brings decades of contracting, acquisition, budget, and financial management experience supporting high-stakes programs at **DARPA, US Cyber Command, DISA, and the Department of War**.
