The desire to baste the house in skin stripping bleach is tempting but please note. This house is a bit of a princess and has specialist metal surfaces, limestone floors and other materials old and new which don't take kindly to harsh products. Please only use products supplied in the house and as per recommendations on the bottles. Please do not use bleach or abrasive products on any surfaces. Damage from inappropriate product use will be charged as damages. All laundry has also had an anti bacterial and antiviral wash added to the 60 degree standard washing procedure here.
