The Grin that Won a War

DON'T LET HIM LOSE IT NOW!

HE WENT INTO BATTLE with a smile and a wise crack... he took everything the enemy could throw at him, and suffered in silence when wounded.

We can't let him lose that spirit now. During the endless months of impatient waiting to come home... or the long weeks of convalescing... thoughts may weigh heavily on his mind.

We at home helped him keep his chin up. When he's back, proudly wearing the little gold eagle, emblem of an honorable discharge... will that grin fade? Will that happy-go-lucky smile change to bitterness? The grin that won a global war can win a private one and the Red Cross is ready to help wherever need for its counsel and guidance exists.

Through the long, gruelling years of war the Red Cross reached across the sea and extended a friendly hand to our fighting forces... and those returning home can find in every local chapter the same symbol... the same spirit of helpfulness.

**YOUR Red Cross
MUST CARRY ON...**

SPECIAL SERVICES HELD IN LITTLE BROWN CHURCH

Within the fold of this homelike community church a representative group of townspeople gathered last Sunday evening to sing the old hymns and hear that old, old story, the word of God, presented in such a way that it could be accepted without offense by any religious creed.

Earl Bray, in Navy blues, sang an appropriate solo hymn and Leslie Segsworth, brother of Mrs. Bray, assisted Rev. Harkins, reading the scripture and giving a prayer that seemed to cover every need. Recently released from the service, Donald Craig of Oakland was among the group of worshippers. Following the services tea and cookies were served.

The Little Brown Church holds evening services regularly every Sunday evening. This organization is working to build a stronger brotherhood between those of us living here on the North Coast-side, including Edgemar, Sharp Park, Vallemar, Rockaway Beach and Pedro Valley and on southward down the coast. Attend services whenever possible Sunday evening and let the pastor know that you are standing back of him in this big job he is undertaking.

FUTURE FIREMEN TO MEET WITH THOSE OF PRESENT

Young firemen, the future firemen of Sharp Park, are invited to meet with the present members of the Sharp Park Volunteer Fire Department on the first Thursday of every month, the next meeting falling on Monday evening, March 4, 1946.

Boys between the ages of 17 and 21 are invited to attend the next meeting. It will be to your advantage to join now. Come and hear about it.

Mrs. H. R. Pardoe, postmaster at Rockaway and sister motored to Sacramento to visit the former's son, Edgar Bailey and family over the holiday weekend. On the return trip the two stopped off at the veterans' hospital in Livermore and called on Ted Jackson, a patient there. Ted was so happy to see folks from home and had such a cheerful outlook on life, God bless him.
