● GOJO PRO TDX TOUGH SOILS DISPENSERS

GOJO PRO TDX Dispenser - 2000 mL - Grey (7200-01)

Rugged, high capacity GOJO PRO TDX dispensers are engineered to withstand the toughest environments. The systems have easy to load refills and portion controlled dispensing that helps minimise waste. A fresh valve is included on each refill to ensure there is no contamination, leaks or clogs. Large sight window shows refill inside. Lifetime guarantee.

- High capacity refills for high volume areas
- One-hand push operation
- Modern, design with diamond-plate effect looks great in tough soils environments
- GOJO SANITARY SEALED refills

GOJO Tough Soils products offer a professional range of effective, high-quality skin cleaning solutions for removing a spectrum of industrial soils.

- Innovative formulas with plant-based ingredients
- Fresh fragrance
- Reliable dispensing systems
- pH: neutral for the skin

GOJO ALPHA DISPENSING SYSTEM

GOJO Alpha 5000 Dispenser - 5000 mL (75100-12)

Manual dispenser for GOJO Klint heavy duty hand cleaners.

- High capacity 5000 mL dispensers for high volume areas
- One-hand push operation
- Pre-measured amount of soap dispensed
- Non-drip patented valve pump
- Sustainable dispenser with no plastic
- Refills made with recyclable HDPE
- Easy to see when the refill needs to be replaced
- New generation refill which does not need punching, is hygienic and easy to use, and also compatible with existing dispensers

GOJO Klint D E Hand Cleaner - 4x 5000 mL Refill (7642-04)

Lotion handwash for lightly soiled hands. Effective against light and medium soiling (dirt, graphite and grease). Ideal for locations including workshops and garages. Formula contains an emollient. Dermatologically tested.

Cleaning Power >>>>>

GOJO Klint P Workshop Hand Cleaner - 4x 5000 mL Refill (7648-04)

Workshop hand cleaner for heavily soiled hands. Formulated with mineral fillers, the product is effective against stubborn dirt: paint, grease and ink. For use in workshops, garages and manufacturing. Solvent-free in compliance with standard NF T 73-101. Contains vegetable glycerine. Dermatologically tested.

Cleaning Power >>>>>

GOJO Klint V Workshop Hand Cleaner - 4x 5000 mL Refill (7644-04)

Scented with lavender, this workshop hand cleaner is formulated for very dirty hands. It contains plant-based scrubbing particles (apricot stones) and plant-based glycerine. It is effective against grease, oil and tar. Ideal for workshops, garages and factories. Solvent-free.

Cleaning Power >>>>>

GOJO Klint S + Végétal Hand Cleaner - 4x 5000mL Refill (7646-04)

Solvent-free heavy duty hand cleaner for maximum cleaning power. With an olive fragrance the formula is suitable for use against hands soiled with tar, paint and adhesive. Suitable for use in workshops, garages and manufacturing. Contains plant-based scrubbers (olive stones) and plant-based glycerin.

GOJO PROTECT PRE-WORK SKIN CREAM

GOJO PROTECT Pre-Work Skin Cream - 2x 1000 mL Refill (4520-02)

A universal professional skin protection cream for use where hands are in contact with water-based and non-water-based preparations and soils, including oil, grease, lubricants and detergents. Use on clean hands before work and after breaks.

- Forms an invisible protective layer, reducing adverse effects of potentially harmful substances found in common workplace soils from coming into direct contact with the skin
- Makes removal of water-based and non-water-based soils and detergents from the hands easier
- Slightly fragranced and silicone-free
- Non-greasy and does not leave marks once absorbed into the skin
- Easy to apply and quickly absorbed into the skin

GOJO PROTECT Pre-Work Skin Cream - Dispenser (4500-01)

(4500-01)

GOJO HAND AND SURFACE SCRUBBING WIPES

GOJO Hand and Surface Scrubbing Wipes - 6x 80 Count Canister (9680-06)

GOJO Hand and Surface Scrubbing Wipes - 6x 70 Count Bucket (9681-06)

Hardworking hands need a hardworking wipe. Tough on everything from oil and grease to petrol and diesel, GOJO Hand and Surface Scrubbing Wipes can be used anywhere heavy-duty hand and surface cleaning is required - without water.

- Dual-textured wet wipes with an abrasive side to remove heavy soils and a smooth side that leaves hands soft
- Extra-large towels for cleaning hands, arms, tools and surfaces
- Cleaning and degreasing formula that has good skin compatibility
- For use anywhere heavy-duty cleaning is required; no water needed
- For use in a variety of markets including the construction industry, manufacturing and automobile
