DOUBLE EDGE™

DOUBLE SIDED URINAL SCREEN

The **EDGE Double Sided Urinal Screen** or "**Double EDGE**", is a cost efficient way of providing anti-splash protection for urinal areas and reduce bad smells and blockages, for **up to 30 days**.

Double sided: easy to use.

The **Double EDGE** provides a variety of highly perfumed fragrances to choose from, all enhancing washroom environments.

The **Double EDGE** offers 24/7 splash back protection thanks to spikes on **both sides of the screen**.

EDGE™ SHIELD PLUS

SHIELD FROM SPLASH BACK & BAD SMELLS

The **EDGE Shield Plus Urinal Screen** provides washrooms with an advanced urinal screen solution to help reduce splash back and other negative effects of untreated urinal areas for **up to 45 days**.

For a prolonged fragrance, the **EDGE Shield Plus** is the solution for facilities looking to provide fragrance with a punch.

The unique, multi-slatted design of the **EDGE Shield Plus** helps to reduce drain blockages by trapping debris or objects.

EDGE™ DOUBLE ACTIVE

AN ACTIVE CORE & PREMIUM FRAGRANCE

The **EDGE Double Active Urinal Screen** is a premium urinal screen with a core of **active enzymes**. These help remove bad smells and help reduce limescale build up.

The **EDGE Double Active** also provides premium splash back protection and is designed with a powerful, premium fragrance to last for an extended period **up to 60 days**.

Prevents bacterial growth deep into the drains and eliminates the use of chlorine and chemicals.

Works in both a traditional and waterless urinal.

FRAGRANCES & CODES

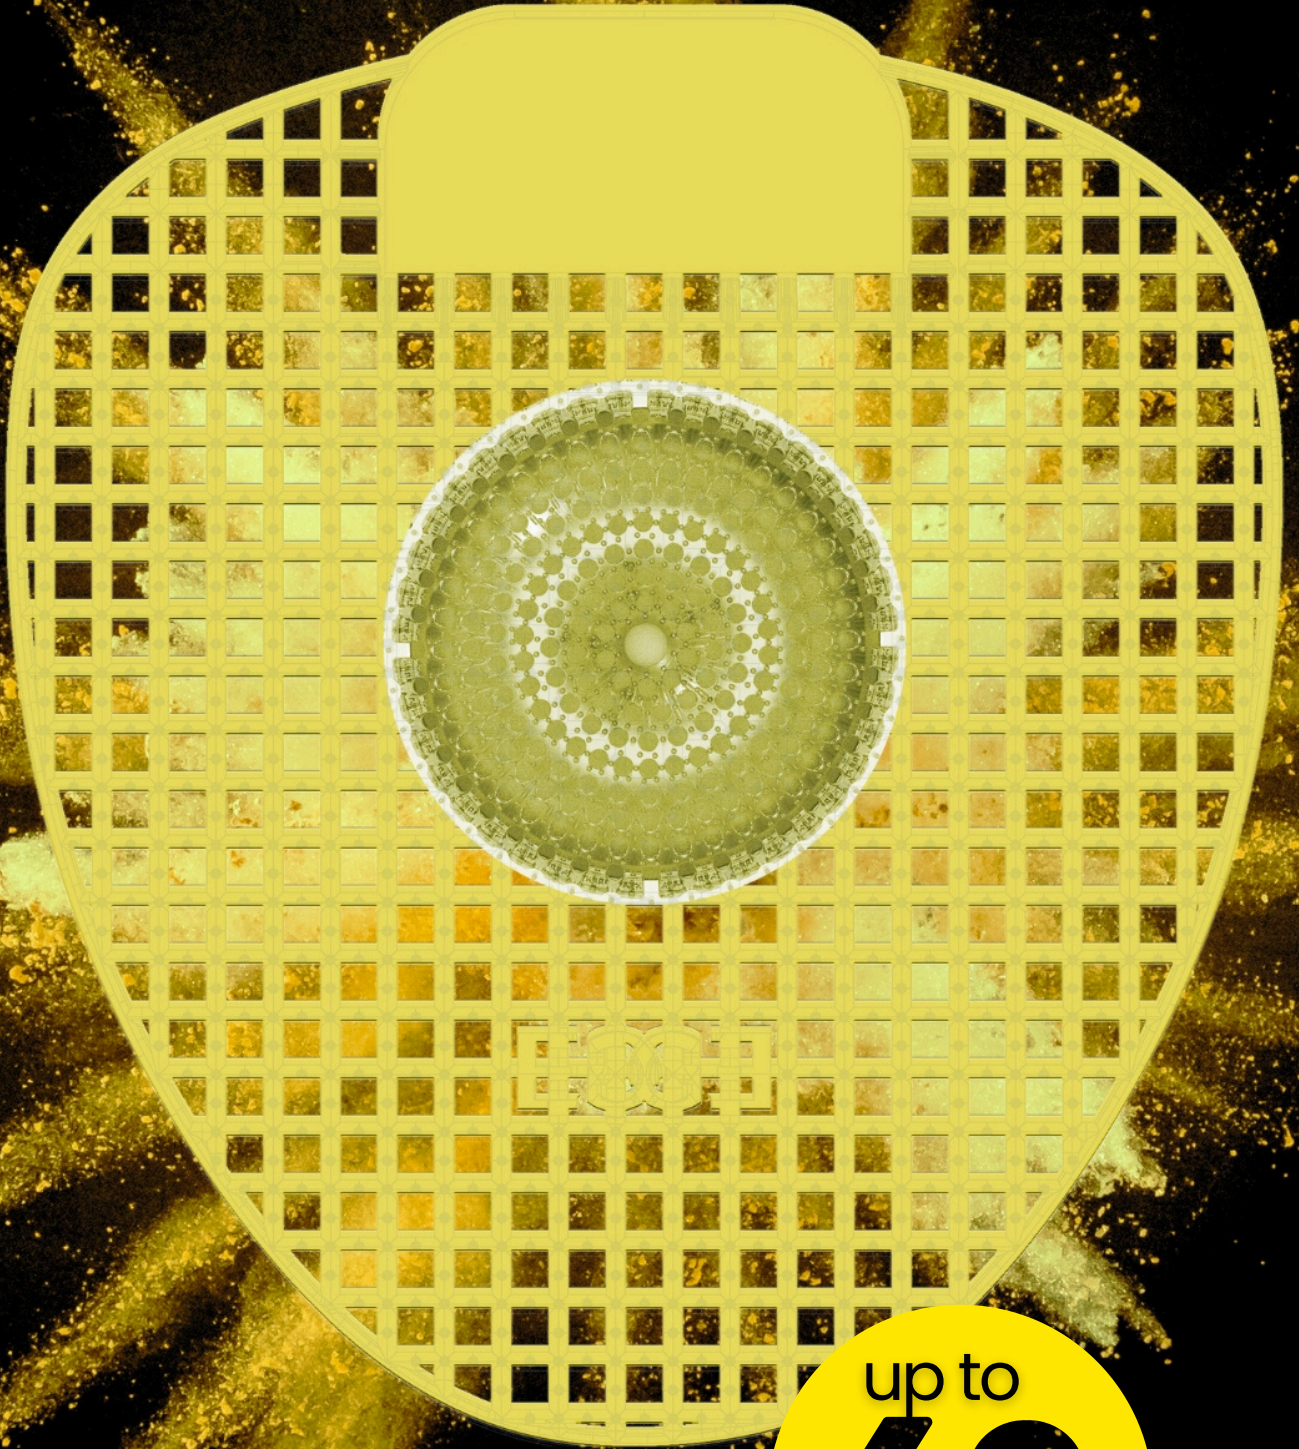

- Mango (orange)** - E718004
 - Ocean Mist (blue)** - E718006
 - Tutti Frutti (red)** - E718011
 - Pacco (grey)** - E718015
 - Dark Sapphire (dark blue)** - E713021-B
-  **BIODEGRADABLE**
