West End is designed with exclusive resort-styled living and expansive public amenities. Residents have exclusive access to a 25 meter lap pool and spa, with resident gardens, BBQ facilities and outdoor dining also on offer. Also exclusively for residents is a private cinema where you can enjoy your favourite films with your guests, after dining in the resident's private dining room. A convenient dog wash area, secure basement car parking and Tesla Car Charging Stations make living at West End a breeze.

Ideally positioned on the cusp of the CBD, it is close to Queen Victoria Market, just north of Docklands and superbly located only one block from the city's free tram zone and Southern Cross & North Melbourne train stations. Nearby is a long list of enviable amenity being only a stone's throw from everything Melbourne's city centre has to offer. A full-line Foodworks supermarket on-site means you won't have to leave home for the weekly shop and it's extremely convenient to duck downstairs for anything you forgot. There is also an Anytime Fitness gym right here at West End, open 24/7, making sure you won't ever have to miss a workout.
