Approach to Funding

History

Present

A set goal to raise $5 Million in pledges and donations in the community. As of July 2025 the community has raised **$4 Million.**

Care and Share Thrift Store generates $500,000 in revenue annually.

Future

The goal is to continue to petition the government to contribute **$25 Million.** LCMNA will be able to apply for the funding in the fall 2025 with hopes of a decision in spring 2026.

Care and Share Thrift Store will continue to contribute to LCMNA for the daily operational needs and expansion project**.**

We need to continue fundraising through pledges, suppers, auctions, bake sales, and other proposed events.

We ask you to talk to the fundraising committee before initiating a fundraising event.
