Family Bookings

Going forward, we ask that all family bookings be made through Administration to ensure you are able to secure a space.

For clients living in **Cottages 2, 3, and 4**, you will have the option to book either the **Fireside Room** or **Sun Room** before the **Cottage 5 (C5) Lounge** becomes available.

These spaces will be available for **4-5-hour bookings**.

The **C5 Lounge** will primarily be reserved for our **Cottage 5 clients** and will have a **maximum booking time of 3 hours**.

Thank you for your understanding and cooperation as we work to ensure our spaces are available fairly and efficiently for all of our clients.

Employee of the Month

The Employee of the Month program recognizes staff members who consistently demonstrate excellence in our core values:

Compassion, Excellence, Integrity, Safety, Innovation, Collaboration.

The employee of the month will be selected by the Human Resources committee based on nominations. Nomination forms and boxes can be found at the end of the Cottage 3 hallway, as well as at the sign in table in Cottage 5.

Who can nominate? Anyone can, we encourage clients, families, visitors, and co-workers to nominate.

Fall Cleaning

A friendly reminder that fall/deep cleaning of client rooms is not done by our housekeeping staff. If your family member's room needs to be cleaned it is the families responsibility to make arrangements. When cleaning the windows we ask that the screen gets cleaned as well.

- Thank you.

We are approaching the flu season again and the following vaccines are being offered starting in October:

Flu shots
RSV vaccine
Pneumococcal vaccine
COVID-19 boosters

If we have missed asking someone if they would like the following vaccines and you would like to have one of those, please let nursing know.
