# SUMMERVACATION

Summer, Summer almost here, Let's give summer a big fat cheer! Of this fact I'm surely clear, Summer is the best time of year.

#### Dear Parents,

Holidays are time when you can connect with your child in many ways. As parents are the first and the most important teacher for a child, you can encourage your child to participate in many educational activities at home and promote his/her quest to learn. Working together will not only help your child to build, learn and develop his/her skills but also strengthen your bond with him/her. We wish you a very happy and a fruitful family time during this summer vacation.

#### Instructions:

- **1.** Parents are requested to encourage their child to complete the activities independently.
- 2. Inspire them to do neat work and tell them the importance of neatness.
- **3.** Devote a fixed amount of time everyday to finish the work gradually, to avoid piling of work. Teach them about time management.
- 4. All assignments are to be done in the school assignment file or as mentioned.
- 5. All the activities will be assessed in the 'Subject Enrichment' category and will be marked in the respective subjects.
- 6. The activities should be submitted to school on Wednesday, 06 July, 2022.
- **7.** A copy of the holiday activities is available on the school website: <a href="https://www.angels-school.com">www.angels-school.com</a>

Have a fun, safe and memorable 'Summer Vacation'.
