

SUMMER VACATION

*Summer, Summer almost here,
Let's give summer a big fat cheer!
Of this fact I'm surely clear,
Summer is the best time of year.*

Dear Parents,

Holidays are time when you can connect with your child in many ways. As parents are the first and the most important teacher for a child, you can encourage your child to participate in many educational activities at home and promote his/her quest to learn. Working together will not only help your child to build, learn and develop his/her skills but also strengthen your bond with him/her. We wish you a very happy and a fruitful family time during this summer vacation.

Instructions :

1. Parents are requested to encourage their child to complete the activities independently.
2. Inspire them to do neat work and tell them the importance of neatness.
3. Devote a fixed amount of time everyday to finish the work gradually, to avoid piling of work. Teach them about time management.
4. **All assignments are to be done in the school assignment file or as mentioned.**
5. **All the activities will be assessed in the 'Subject Enrichment' category and will be marked in the respective subjects.**
6. The activities should be submitted to school on **Wednesday, 06 July, 2022.**
7. A copy of the holiday activities is available on the school website: www.angels-school.com

*Have a fun, safe and memorable
'Summer Vacation'.*
