Holidays*

HOLIDAY HOMEWORK

Dear Parents,

The vacations are back again. It is the time to bond and spend quality time with your family and stay warm in this winter season. While you do so, also make it a point to share your childhood stories with them and keep those beautiful eyes away from electronic gadgets as much as possible. Along with creating memories do take out time for these fun holiday activities to keep them mentally active and curious.

Instructions:

1. Parents are requested to encourage their ward to do the homework independently. Original drawings/ illustrations and creative use of material, wherever required, will be appreciated.
2. The Holiday Homework has been designed to not burden the children with too many assignments and encourage practical learning and creative exhibition of their skills; thus providing ample time to students for leisure activities as well.
3. Worksheets should be done neatly.
4. Devote a fixed amount of time to your homework every day, so that it does not pile up.
5. All homework must be submitted by **Friday, January 6, 2023** to the respective teachers. All assignments are to be done in the school assignment file or as instructed.
6. The project assignment must be completed independently by the students; parents may provide assistance only wherever necessary.
7. A copy of the holiday homework will be available on the school web site : www.angels-school.com

ANGEL'S PUBLIC SCHOOL

CLASS – VII HOLIDAY HOMEWORK FOR WINTER VACATIONS SESSION 2022 – 23
