CLASS – VI

TIME : 1:30 HRS   SUBJECT – ENGLISH   M.M:40

SECTION – A (READING)   [5]

1. Read the passage and answer the following questions.

Time is one of the most precious things in life. Once it is gone, it never comes back. Successful people know how to use their time wisely. They plan their day, finish their work on time, and never waste a single minute.

Riya, a student of Class 6, understood the value of time when she failed to complete her science project because she kept delaying it. Her teacher explained, "If you respect time, time will reward you." From that day, Riya started managing her schedule properly. She made a timetable, studied regularly, and finished her homework before playing. Soon, her marks improved, and she became more confident.

Riya realized that using time wisely brings success and peace of mind. She promised herself never to waste time again.

(a) Answer the following questions: (3x1=3)

(i) What is said to be the most precious thing in life?
