### Why it Matters?

The BOOST Leadership Academy provides an incredible opportunity for participants to cultivate and refine their individual leadership skills, gain direct access to prominent business and community leaders, and define their role as true stewards of our community.

#### Understand the Community

Acquaint them with significant community processes, programs, and problems.

#### Prepare to Serve

Provide a network of new community talent for service on public and private boards, agencies, organizations, and associations.

#### Leadership Skills Training

Provides leadership skill-building, including teamwork, communication, decision-making, and more.

#### Community Engagement

Teach them about involvement opportunities, special challenges, and demands using speakers, panel discussions, and Q & A sessions with current leaders.

#### Impacting Forces

Improving understanding of various economic, social and political forces impacting the community.

#### Giving Back

Provides opportunities to enact newly-learned skills and knowledge through a comprehensive community service project for a local non-profit organization.
