

BOOST LEADERSHIP CALENDAR 2025-2026

LAUNCH & LEAD: RETREAT & ADVENTURE DAY SEPTEMBER 12 & 13

Start your leadership journey with connection and momentum. Build strong bonds with fellow academy members through team building activities. Then experience the beauty and history of Sweetwater County with a guided tour of Flaming Gorge.

ECONOMIC ENGINE: INDUSTRY IN ACTION OCTOBER 10

Step inside the industries that power Sweetwater County. From natural resources to innovation hubs, gain firsthand insight into the sectors that fuel our economy and shape future opportunities.

COMMUNITY CONNECTIONS NOVEMBER 14

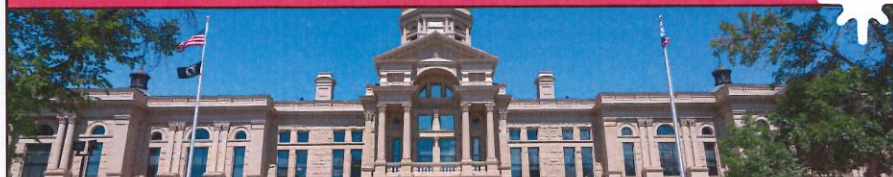

Explore the wide range of amenities that make Sweetwater County vibrant. From parks and recreation to cultural venues and public services, discover the resources that enhance our quality of life.

SERVING TO IMPACT JANUARY 9

Dive into the structure and function of local government. Learn how decisions at every level shape our communities and how service-driven leadership makes a lasting impact.

CAPITOL EXPERIENCE: LEADERSHIP IN ACTION FEBRUARY 18 TO 20

Travel to Cheyenne for an immersive look at leadership on a statewide level. During this three-day trip, you'll engage directly with legislators, attend live committee meetings, and tour the Wyoming State Capitol. In addition to learning how policy is shaped, you'll have the unique opportunity to connect with Leadership Academy participants from across the state. Share insights, exchange ideas, and build relationships with emerging leaders from other communities as you experience the heart of Wyoming's legislative process together.

GIVE WHERE YOU LIVE MARCH 13

Discover the heart of community impact through local nonprofits and service organizations. Learn how volunteerism, charitable giving, and civic involvement strengthen Sweetwater County and how your leadership can help support and sustain these vital efforts.

INTO THE FUTURE APRIL 10

Explore how Sweetwater County is preparing tomorrow's workforce through local education and training. Learn how schools, colleges, and community partners are equipping students with real-world skills and creating clear paths from classroom to career.

QUALITY OF LIFE MAY 8

Gain insight into the healthcare system and wellness resources that support our community. From hospitals and clinics to public health and behavioral services, learn how local providers and programs contribute to a healthy and resilient Sweetwater County.

GRADUATION MAY 14
