Calderone Caring Foundation is a 501c3 public charity (EIN 82-5520530) located in Monongahela, Pennsylvania. We are inviting you to participate, volunteer, sponsor, or simply donate this year towards our annual golf outing. The donations/sponsorships will be used for door prizes, raffles, silent auction, and giveaways for this year's golf outing. The funds raised at this event will be used to further our mission by helping families in need with terminally ill children and offering scholarships to high school seniors going into the Medical or Social Service Fields. We have supported over 1,000 families in the last 6 years with our initiatives, including over \$30,000 given in scholarships. This year, we were able to expand and add to our current programs to help hard working families that experienced a decline in income from taking care of their terminally ill children. We believe a family should not lose everything they worked for before they can qualify for help, and we base our programs off that belief by not including income limits. Along with helping families financially, last year we were able to provide Holiday Gift Boxes to parents staying at the Ronald McDonald Houses of Pittsburgh, Morgantown, 2 Houses in Philadelphia filled with tumblers, blankets, playing cards, and other items to make their stay more comfortable. We hope that you will join us this year in working towards bettering the world one family at a time.

Sponsor forms and payment should be mailed to: Please check the box of your choice.
