Class List, Media Opt-Out & Shirt Size

Return this page in an envelope labeled **"Class Parents"**.

As part of building a strong classroom community, the class parents put together a contact list to help families connect for playdates, birthday parties, and classroom events. The list will include each student's name, parent/guardian names, address, email and phone number. Also, throughout the year, our PTA liaisons may take photos during school events or assemblies to highlight fun moments in our schools. These photos may be shared online or in print to help celebrate our amazing students.

I give permission for my child's name and address, email and phone number to be printed on a class list, which will be distributed to each child in the class for parties, playdates, etc.
