

Disclaimer:

The services provided by W Leighton Phillips are offered within the boundaries of professional ethics and the laws of the State of Florida. Hypnotherapy and related services are delivered in compliance with Florida Statutes Chapter 485, which restricts therapeutic hypnosis to licensed practitioners of the healing arts or individuals working under their supervision. These services are not a substitute for medical or psychological diagnosis, treatment, or therapy. If you have a medical or mental health condition, please consult a qualified licensed healthcare provider for appropriate referral.

Participation in any program or session is voluntary. Results may vary and are not guaranteed.
