'Know Jesus and Make Jesus Known'

That's the mission statement of the 'City on a Hill' movement. As part of their prayer to fulfill this mission, I will be conducting a 'Jesus & The Gospels' Short Course at [City on a Hill](#), Geelong.

Beginning Saturday November 17, this is a five week short course on Jesus and the Gospels.

This is for all those who want to know more of Jesus as '**I Am Who I Say I Am**'. This is a chance to dig deeper and explore the Jewish background from which Jesus speaks and ministers in 1st century Israel.

Topics we will cover include:

- Who is Jesus?
- What does it mean to be born again, as Jesus shared with Nicodemus?
- What were the three Messianic miracles that the Pharisees chose to ignore?
- What is the unpardonable sin?
- Why did Jesus have to die?

This course is a part of the extended '**Life of Messiah**' from a Messianic Jewish perspective study which Ariel Ministries teaches on a continuous basis.

Start Date: November 17

End Date: December 15

Course Duration: 5 weeks

Times: 2.00 - 4.30 pm

Venue: Old Church Hall, 230 McKillop Street East Geelong

Registrations are essential for course notes.
