

FOR IMMEDIATE RELEASE

Auto Experts of Colleyville Launches ‘Autos of Love’ Initiative to Donate Vehicles to Individuals and Families in Need

Colleyville, TX – September 9, 2024 – Dane and Cathy Bailey, owners of Auto Experts of Colleyville, are excited to announce the launch of a heartwarming initiative called **Autos of Love**, designed to give back to the local community. Through this program, the team at Auto Experts, will donate two vehicles to individuals and families in need that meet the criteria, along with a year of free service, helping them regain mobility and independence.

With a mission to create a positive impact, **Autos of Love**, will accept nominations from the public until **Monday, September 30th**. The initiative is open to all in Tarrant County. The goal is to provide reliable transportation to those who may be facing hardships and could greatly benefit from a vehicle.

“We’ve been part of the Colleyville community for years, and we have always felt a deep responsibility to give back,” said Dane Bailey. “Through Autos of Love, we hope to make a real difference in the lives of people who need it most.”

How it Works

Anyone can nominate a deserving individual or family by visiting autosoflove.org or stopping by Auto Experts of Colleyville’s location. The submission process is simple, and all nominations will be reviewed by a selection committee (members of our community) to ensure that the vehicles go to those who would benefit the most.

Award Ceremony and Reception

The winners of the **Autos of Love** initiative will be announced during an award ceremony on **Thursday, October 24th at 2:00 pm** at **Auto Experts of Colleyville, 6800 Colleyville Blvd., Colleyville, Tx. 76034**. Two vehicles, generously donated by clients, will be presented to the selected recipients. A reception will follow the ceremony to celebrate the winners.
