

PHENOMENAL ANGELS OF THE COMMUNITY

A Program Of  DETOURS

July 2015

In July Fun Fridays began. **Fun Fridays** provided the Angels the opportunity to have clean fun and socialize with their peers. This program ran the months of July and August. Fun Friday activities included Game Night, An Evening on Universal City Walk, Pillar of Character studies and other candid conversations.

The Angels spent the evening at Universal City Walk where they shopped, dined, danced and had a great time.

This July marked the 3rd year PAC Staff supported **Detours Mentoring Group Inc.** for the 3rd year working in their Firework Stand.

Also in July, PAC Staff attended the **SCRIPT Summit** for additional training and information. The theme of the conference was "Stop the Stigma" with keynote speaker, Deputy Chief William Scott.

August 2015

August is one of PAC's busiest months of the year. We had lots of fun celebrating the end of summer. School started in late August for some of the Angels so it was a perfect time for summer fun.

The Angels received back packs generously donated by Coach Cornell Ward. **Thank you Coach!** PAC's fantastic Staff generously donated school supplies and other items. The Angels were pleasantly surprised!

Phenomenal Angels hosted the **Safe & Sober Summer Campaign**, water give away on Imperial Highway & Western Ave (Los Angeles)

on August 9th. This was our 3rd year participating in this magnificent event. With the help of generous donations from our community we were able to give out over **3,000** bottles of water and over 60 participants. Every year we are able to help more and more people. ***Thank you so much to everyone that came out and/or donated water! We appreciate you!***

Why do we do this? The Southern California Cease Fire Committee founded this campaign 8 years ago because studies show that over 85% of violent crimes are committed while under the influence of alcohol and drugs. Our hope is that in giving a bottle of cold water potential alcohol induced violent behavior may be diverted.

We would like to acknowledge everyone that came out to support, pass out water or just hang out. We would like to send a shout out to those that donated water, "THANK YOU!" We would also like to thank ***Burger King*** (11239 Western Ave, Los Angeles) and ***Carl's Jr*** (11224 Western Ave, Los Angeles) for donating ice so that we could provide cold water. Thank you for helping us to hydrate our community. Its wonderful to know you care about the community where you're doing business! Finally, we would like to thank our community partners, ***C.H.A.N.G.E.S***, ***The Corvette of Choice*** and ***The Southern California Cease Fire Committee!***

On August 23rd, PAC hosted the **Up Fest Peace Ride**. The Up Fest Foundation was founded by Minister Tony Muhammad and supported by various agencies around the community. We would like to give a special thank you to the **Corvette of Choice** who allowed our Angels to ride in style. **Thank you!**

On August 29th we held the final event of the Summer 2015, our *3rd Annual PAC Family Bonfire*.

The Angels had a day of fun at Dockweiler Beach. There was plenty of food, fun and laughter. This perfect opportunity allowed the Angels and their families to meet, socialize and play with one another. S'mores were the desert of the evening! **Thank you to everyone that participated!**

September 2015

September is PAC Staff Development month. We spend this

time planning and preparing for the remainder of the year. We also use this time to complete our calendar for the next year.

We have participated in team building activities, attended training workshops, scheduled meetings and completed our calendar for 2016.

September is the month for strategizing how to better serve the young ladies we are honored to work with. Join us!

Starting October 2, 2015 - 6:30 p.m.

PHENOMENAL ANGELS OF THE COMMUNITY
A Program of **DETOURS**
MENTORING GROUP INC.

Presents
CRUCIAL CONVERSATION & CONFLICT RESOLUTION
Tools For Talking When The Stakes Are High!

1st SESSION – CRUCIAL CONVERSATION
