

2nd Quarter Update

Together, We Can Do It

Summer is officially here, bringing new opportunities to connect, grow, and create phenomenal experiences together.

Rise and Lead

Our Life Skills Workshops continue to empower youth with the tools they need to navigate everyday challenges and build successful futures. Through engaging discussions, hands-on activities, and real-life scenarios, participants explored topics such as effective Leadership, Self Esteem & Body Image, Social Media Influence, and the Power of Having a Plan.

The Power of Having a Plan

Our **The Power of Having a Plan Workshop** encouraged youth to set goals, stay focused, and create positive pathways for their future.

Catalina Youth Excursion

Our trip to **Catalina Island Youth Excursion** was an unforgettable experience filled with adventure, leadership, healing, and connection. Youth had the opportunity to explore the beauty of the island, engage in meaningful conversations, and step outside of their everyday environments to experience something new and inspiring.

From scenic tours and shared meals to laughter and reflection, the excursion created lasting memories while strengthening confidence, friendships, and personal growth. More than just a trip, Catalina was a chance for our youth to recharge and see the limitless possibilities that exist beyond their surroundings.

Prom Dress Giveaway

The **Prom Dress Giveaway** empowered young women by providing dresses and accessories for their special night. More than just a giveaway, it was a celebration of confidence, joy, and self-worth as the girls prepared to shine during an unforgettable milestone.

Empowerment Dinner

The **Empowerment Dinner** brought youth together for an evening of inspiration, connection, and encouragement. Through meaningful conversations, uplifting messages, and shared experiences, participants were reminded of their strength, value, and limitless potential.
