Joining the LATROBE VALLEY MODEL AERO CLUB.

There are 3 forms for new members may need to fill out for membership of the Latrobe Valley Model Aero Club.

FORM 1 - INCORPORATION JOINING APPLICATION FOR MEMBERSHIP OF THE LVMAC

As stated in the Rules of Incorporation, persons wishing to join any Incorporated Club must be nominated and seconded by financial members of the club. The MAAA & VMAA, our parent bodies in Victoria, allows new fliers 4 flying sessions before you have to join the club so that you are covered by insurance, but you must sign the visitors book. This form is processed much sooner and is sent to the club registrar with your fees. You are covered by insurance immediately the receipt for your fees is written out. If for some unforeseen reason your application for membership is refused, all money will be refunded by cheque. This joining form must then be taken to a Club Meeting and a decision to accept or refuse the membership is made at the next Club Meeting.

The Latrobe Valley Model Aero Club meets Monthly, so it could take up to 4 weeks to process your membership once it is received. You will be notified in writing if your membership is rejected for any reason. (to date nobody has ever been refused membership).

FORM 2 YEARLY APPLICATION FOR MEMBERSHIP OF THE LVMAC

The second form is a Joining Form that contains more detailed information and is the standard yearly form that all members should submit with their fees. Date of Birth is required for the MAAA and VMAA which are our parent bodies in Australia.

Insurance – You are covered by the MAAA Insurance policy once your money is received but you need to understand that it is a LVMAC rule that **the owner is responsible for the first \$250.00 of any insurance claim** that may arise from an incident, whether the owner is the person flying the model at the time of an incident or not.

FORM 3 Club/Instructor Disclaimer This form should be filled out by new members that need flying lessons or test flights from a Club Instructor and is to remind new members that models do crash and there may be a financial cost associated with any crash, that the member will have to pay, even if the Instructor is flying the model at the time of the crash. (These are only crashes that may cause an Insurance claim).

If you have any inquiries please phone Wayne Lewis on 0422 627 169

Club/Instructor Disclaimer.

I.....have agreed to allow LVMAC Model Flying Instructors to test fly my Model Aeroplane and to teach me to fly it. I understand that all care, caution and consideration will be taken during test flying and training flights and that it is quite possible that my model may suffer damage (minor or major) as the result of a crash, whether it be caused by instructor error, student error, mechanical failure, electrical failure or unknown cause. I agree that I will not hold the test pilot, instructors or the LVMAC responsible for the consequences of any damage that may occur to my model and gear. I also understand that it is a LVMAC rule that I am responsible for the first \$250.00 of any insurance/ damage claim that may arise from my model, whether I am flying it at the time of an incident or not.
