SUNDAY	APRIL 19	General flying at all sites – Combat Classic ????
SATURDAY	APRIL 25	ANZAC Day
SUNDAY	APRIL 26	WarBirds & Military Day at Lake Narracan & General flying

Well another month down and the weather seems to have improved slightly but the wind is still there from time to time to remind us that it hasn't gone away! I don't have much to say this month as I haven't been able to get to the field except that it was great to read that so many attended the CCMT on Sunday the 22nd and gave it a go, sounds like it was a great event ! Congratulations to James for taking out the win, Wayne Lewis for second and Dave Lewis for 3rd, thank you Godwin Owen and Will for doing the scoring and Fred for the sausage sizzle ! Top effort gents.

Looking forward to catching up with a few of you this weekend especially at the come and try day this weekend the Sunday 1st of March, also a big thanks to all that have volunteered to help out on the day, hopefully we can get some flights in before and after the event.

Regards, Jamie McLaughlin

Minutes for February 2026 General Meeting held at the MOE RSL at 7:30pm Wednesday 4th February 2026

1 Meeting opened at: 1931 (a minute silence was conducted in memorial to the passing of Chris Davenport)

2 Present: *Craig McMahon, Wayne Lewis, Ian Partleton, Godwin Bugeja, Brian Adams, Stephen Loft, Mick Dye, Jamie McLaughlin, Dirk Kurpershoek, Fred Barabasz, Ian Heafield, David Thiedeman.*

3 Apologies: *Bill Reid, Ivan Walker*

4 Visitors: *None*

5 New member applications: *Nil*

6 Confirm the minutes of the previous meeting held on 3rd December 2025.

Moved: Secretary

Seconded: Jamie McLaughlin

7 Business arising from the previous minutes:

7.1 Traralgon Bunnings Christmas event was held on 4th December 2025.

The evening went well with about ½ dozen new Club fliers being handed out. Thanks to Wayne, Craig, Ivan and Ollie for volunteering. Special thanks to Ollie's Uber driver (his dad), Anthony.

- 7.2 President's request for Warragul site. Can Warragul members find alternative ways to fund the running of their site? Both the President and Secretary received enquiries from some Warragul members seeking clarification of the intent of this request, and members were reassured that no immediate changes or decisions have been made at this time.

Dirk from the Warragul site gave a spreadsheet with a breakdown of expenses to all members present. He also voiced the opinions from Warragul members on situation. With this new information, a motion was carried to consider the issue over a month and reconvene at the next general meeting.

ACTION: All Club members are requested to evaluate the spreadsheet attached to these minutes and raise any questions at the next general meeting in March.

- 7.3 Warragul gave a \$100 donation to the Farmer as thanks for using the site.
- 7.4 Fred requested that all members who have access to a whipper snipper please bring it out to the field when they next come out to do some much needed edging around the Club facilities.
ACTION: Completed.
- 7.5 It was suggested that the Club reach out to the LaTrobe Valley Express to see if they would be willing to write an article on the Club.
ACTION: Completed.

8 Correspondence In & Out and Business arising from Correspondence:

- 8.1 In: Reply email from SADAC re: the general invite to the Club.
- 8.2 Out: General invite was sent out to other Clubs in the region 9th and 10th January 2026.
- 8.3 Out: Request for Community featurette from the Latrobe Valley Express 19th January 2026

Moved: Secretary

Seconded: Brian Adams

Seconded: Godwin Bugeja

10 Current Membership:

Current financial Membership is 29 Seniors, 10 Pensioners, 2 Life & 2 Junior. Total members currently sit at 43.

11 Lake Narracan Advisory Committee:

11.1 Michael Dye and Godwin Bugeja attended and the Council were asked if there is a rough timeframe of the Moe/Newborough development, and how that will affect the Club.

UPDATE: This was brought up to the Council at the meeting and the Council said that they will try and chase up the information and report back to Godwin and/or Mick.

12 Relocation update & Sub-committee report:

12.1 The proposed Hazelwood site is no longer available to the Club as Hazelwood will have a need for it in 12-18 months' time. They did not want to give it to us only to have to remove us in the very near future.

12.2 With the Hazelwood location now not available, it was requested that the sub-committee list the advantages and disadvantages of the 2 remaining potential sites – the hovercraft club area and Toners Lane.

ACTION: Sub-committee create this list and be ready to present it at the next general meeting.

13 Flight proficiency: None

14 Safety:

14.1 Jamie S. for not taking his phone with him while going to look for his downed RaRa.

REMINDER TO ALL MEMEBRS TO PLEASE TAKE YOUR PHONE WITH YOU WHEN YOU GO SEARCHING FOR DOWNED AIRCRAFT.

15 GENERAL BUSINESS

15.1 New drone rules for the Club.

15.2 Come & try day 2nd March 2026.

Volunteers so far are: Craig McMahon, Jamie McLaughlin, Wayne Lewis, Roy White, Chris Eels, Dave Lewis.

15.3 Lake Narracan water tank upgrade.

Wayne said that the current water tank could do with an upgrade, but he is looking into possible solutions.

15.4 Dry chemical powder fire extinguisher replacement.

Even though the current dry chemical powder fire extinguisher is many years old, Wayne discussed that it is probably time to replace it. Dirk also suggested that Warragul get theirs replaced too. All members present agreed to purchase 2 new dry chemical powder fire extinguishers to be shared across both sites.

ACTION: Wayne

15.5 MAAA grants.

ACTION: Craig to get the Club an ABN and apply for an MAAA grant for a battery system as previously discussed (November 2025 minutes, Paragraph 8.2)

15.6 New Defibrillator pads.

Defibrillator battery was replaced in 2025, and now it needs new pads. All members present agreed to the purchase of new defibrillator pads.

ACTION: Wayne

15.7 Mower service due

All members present agreed to the get the mower serviced.

ACTION: Wayne

15.8 Craig asked all members present if we wanted to do more Bunnings BBQs and events. All members present agreed that we should do more.

ACTION: Craig (IN PROGRESS)

15.9 Fred has a new camera that he would like to try and gave it to Craig to see if he can get it up and running.

ACTION: Craig (IN PROGRESS)

15.10 Craig asked members if they were aware of Hobby Kings 'Crash Cash' system. Terms and conditions are available on Hobby Kings website.

15.11 Some members expressed interest in getting access to post on the Facebook page.

ACTION: Jamie M. (COMPLETED)

15.12 It was proposed that the Sunday before Christmas be a memorial fly day to the late Chris Davenport.

15.13 It was asked if Facebook post could be put up about wind conditions for those with access to the field camera. It was discussed that when the new camera is operational, it *should* allow more members to access it.

16 Bent wheel award nominations

- 1 Fred for his Gilmore.
- 2 Craig for his new Dauntless.
- 3 Rex & Paul for the refurbished Dauntless.
- 4 Ivan for several of his aircraft.
- 5 Glen for his Warhawk.
- 6 Graham for his Sputnik.
- 7 Jamie S. for his RaRa.

WINNER: Fred for his Gilmore. Congratulations and commiserations Fred!

17 Bomb award nominations:

1. Mick for forgetting to bring essential equipment.
2. Rex for neglecting to select to correct transmitter for his 'Rextick'.
3. Jamie S. for not taking his phone with him while going to look for his downed RaRa.

WINNER: Rex for incorrect transmitter selection. Congratulations Rex!

20 Next meeting: General Meeting on Wednesday 4th March 2026 at 7.30pm at the Moe RSL meeting room.

21 Meeting Closed at: 2123

Note -The Club Drone is kept in the Mower Container in the "White Box". It has one fully charged battery with it and I will change the battery weekly. Also in the box is a drone mat, shade screen and some instructions. If you have to use the Drone, please let me know. Several members have now had some instruction on how to fly the Drone.

Club Flyday at Lake Narracan (Sunday 8th February 2026)

Our first successful Club flying day in 2026 started out cloudy and windy but the wind dropped off and conditions were quite good. The forecast rain didn't happen so it would have been a perfect day for the Combat which was cancelled in advance, due to the weather forecast. Attendance was down which was surprising.

Wayne Lewis flew the Boomerang V3, the Teksumo and the Challenger and had another session on the Club Drone.

Graham McMahon flew his Little Stik 100, and his T28 Trojan and also had a go on the drone.

Fred Barabasz didn't fly any models but he did have a go with the Drone.

Stephen Loft flew his Combat SPAD on wheels, the Challenger and the Wots Wot Biplane and had some time on the Drone..

Eric Spratt flew his Boomerang V3, a Crazy Wing, his Little Stik100 and flew his new SPAD on wheels that Lofty had built and painted in Canadian Colours.

Roy White flew his Yak 54 and had the Spacewalker in the car

Ian Partleton flew his Big Stik, a SPAD on wheels, in his usual colours (Blue & White) and also flew a Thermal Sailor electric glider. Ian had a short time on the Drone as well.

Brian Adams flew his Electric Bronco and had a dumb thumbs moment whilst inverted. He had only brought the one model so no more flying. Brian also had a short turn on the Drone.

Above - Ian Partletons Thermal Sailor & his SPAD (another nice Lofty job!)

Above – Eric's new SPAD – nice job Lofty !

The Col Cliff Memorial Trophy was programmed for Sunday 15th February and it was a pretty good day for this event but only 4 starters turned up and Brian had an engine issue so the event was postponed for a week and was successfully run on Sunday 22 February under a very cloudy sky and some odd spots of rain. Amazingly, the wind was light all day !

James came in First, Wayne Second and Dave Lewis Third. Congratulations to all 7 club members that flew in the event and well done James. The trophies will be presented at the next meeting.

Loops under power saw James 16, Wayne 19, Dave L 18 and Lofty 17, all get the Maximum score of 200. (10 loops is the maximum)

Climb & Loops on Idle - James was the only one to get the max of 8 for 200 points. He actually got 12 which is quite amazing in this event.

One Minute flight – best times were Dave L got 57secs and James got 57 secs on his second attempt. Wayne got 56 sec and Rex got 64 sec on his second attempt.

Spot Landing – Wayne & Dave L both got within 2 metres of the mat.

Spins – James got 25 and Wayne got 24. The Max is 29 which no one has been able to get for years.

Touch & goes in 2 minutes – James, Wayne & Dave L all got 10 T & G's which is the max.

Climb & Glide – James got the best with 3 min 16sec.

Final Results were...

James	1123 points
Wayne	1086 points
Dave L	959 points
Lofty	803.5 points
Dave T	670.5 points
Rex	655.5 points
Brian	329 points

Thanks to Godwin, Owen & Will for doing the Scoring & Timekeeping and thanks to Fred for doing the Sausage Sizzle Lunch. It went down well !

Club Fees 2025-2026 – Half Year fees apply from 1 January 2026 for new members and past members that were not a 2024-2025 member.

	MAAA fee	VMAA fee	Club fee

Above – do the pilot and passenger look familiar ? Father & Son

Come & Try Day

We are hosting our first **"Come & Try"** Day next Sunday 1st March. Thanks to our recent Facebook campaign, all of the 6 available timeslots are already filled.

Even if you are not directly involved in the event, the Committee encourages as many members as possible to come out to the field to help make the Club feel welcoming.

Please be aware that we will restrict the number of pilots in the air to 2–3 (in addition to the student) while any student is flying, rather than our usual 5. While this will result in fewer flights for regular members, this event is primarily for attracting new members and ensuring the Club's future.

For those attending, we would appreciate that you bring along a variety of models to both put on display and in the air.

Fred will also be providing a sausage sizzle on the day. Additionally, we may require assistance delivering food, water, and batteries to Wayne and Dave Lewis, who will be instructing on the field. Jamie and I will be in the undercover area explaining the basic operation of a model and running the simulators.

Here's hoping that Mother Nature will be kind to us for the morning!
