
Manor Area Youth Association

Dear Recipient:

Manor Area Youth Association (MAYA) was established in 2001. We are a community youth program for ages four (4) to thirteen (13). MAYA is a non-profit organization and our success over the years has been based on dedicated volunteers and sponsors.

Our Mission is to develop a sense of achievement, leadership skills, and a positive self-image for all participants. We will accomplish these goals by encouraging positive attitudes, healthy lifestyles, work ethic, discipline, and perseverance. We believe that in developing these traits, our youth will not only be successful athletically but throughout all aspects of their lives.

We would like to offer scholarships to ensure we give every child an opportunity to participate. Lack of funds for registration or equipment should never be a reason a child is not able to participate in community activities. If you are willing to donate or sponsor on any level it will help offset costs incurred for uniforms, equipment, insurance, field rental, registration costs and most importantly allowing children who otherwise would not be able to participate. Below are levels of sponsorship/donations to choose from. Please make all donations payable to our non-profit association for your donation to be considered tax deductible:

- First Down (\$100) - Logo on MAYA website
- Field Goal (\$250) - Logo and Company Link on MAYA website
- Touchdown (\$500) - Logo/Link on Website and MAYA Ring
- MVP (\$750) - Logo/Link/MAYA Ring and Football Banner
- ALL STAR (\$1000) - Logo/Link/Ring/Banner and MAYA Jersey
- 1st Pick of the Draft (\$5000) - All the above and MAYA Football Helmet
