

Cypress Landing August Newsletter

Association Website

If you haven't done so already, go check out the Cypress Landing website at www.cypresslandingtownhomes.com! It is a great resource that gives all homeowners access to anything they need regarding the homeowners' association. The website contains all financial reports and governing documents, including the association budget, restrictions, and the plat map. The website also has a news section where homeowners can find the monthly newsletters, including a section showing how to contact us if you have any concerns. Last but not least, there is a section that shows homeowners how to pay their dues online, which we highly encourage!

Architectural Request Reminder

Don't forget to send in an ACC request form if you intend on making any exterior changes to your home. All requests must be approved by the Architectural Control Committee before work commences. The ACC request form is attached to this email for you to access. For more information about making architectural requests, simply go to your association's website and see the "Architectural Requests" section.
