KEEP GATE OPEN FOR LAWCARE COMPANY

We would like to remind all homeowners to please keep their gates open on the days that the lawncare company comes to the association to cut the grass.

The company is scheduled to come every Tuesday unless rescheduled due to weather.

SUMMER LANDSCAPING TIPS

Summer is the time for beautiful lawns and landscapes!

We encourage homeowners to update their landscaping and flower beds and make sure that they are mowing their lawns regularly.

Listed below are a few helpful tips to keep everything effective and efficient:

- Service your lawn mower
- Service your sprinklers
- Eliminate sources of standing water
- Keep weeds to a minimum
- Trim shrubs or bushes that touch your home's exterior

Summer is also the time of year where weeds grow the fastest. Heat and rain can cause weeds to grow rapidly, making them hard to keep up with.

We encourage homeowners to be vigilant and pull any weeds sprouting in their landscaping before they get out of control.
