Fall Landscaping

Fall is here, and that means it's time for cool weather! Now is a perfect time to do some landscaping touch ups before it gets too cold outside. We encourage homeowners to pull weeds, trim bushes and shrubs, and replace mulch in flowerbeds. These tasks will surely get your home looking great for fall!

Architectural Request Reminder

Don't forget to send in an ACC request form if you intend on making any exterior changes to your home. All requests must be approved by the Architectural Control Committee before work commences. The ACC request form is attached to this email for you to access.

Pet Reminder

We would like to remind pet owners to please pick up after your pet when they use the bathroom outside, especially in other people's yards. All animal feces are to be picked up and disposed of properly. We kindly ask pet owners to follow these guidelines and respect neighbors' property when walking their pets. Thank you for your cooperation.
