- Windows must be accessible for service to be completed.

Important Notes

- Areas that are not accessible at the time of service will be cleaned around
- Please notify us in advance if any areas require a step ladder or special access
- Deep cleaning focuses on removing buildup and restoring cleanliness, but does not include repair or restoration of surfaces

Homes with:

- Heavy buildup
- Excessive pet hair
- Significant clutter
- Limited accessibility

may require additional time or pricing adjustments. Any changes will always be communicated.

Surface Conditions & Limitations

Deep cleaning improves the overall condition of surfaces but cannot correct:

- Long-term staining
- Hard water buildup that has caused damage
- Corrosion, etching, or discoloration
- General wear and tear over time

Pre-existing damage or permanent staining is not the responsibility of The Cleaning Bee.
