Dear Friend of I-PLUS,

Few things can help stabilize a person like having a warm place to call home on a cold winter's night.

Yet for I-PLUS clients, maintaining the basics of stable living—like paying rent and utilities, embracing mental health and connecting to stable friends and family members—can seem overwhelming. They need our help to change the trajectory of their lives.

As a Friend of I-PLUS, you know that I-PLUS clients thrive when they receive the right type of support to address their unique challenges—whether it's contending with mental health issues, like Post Traumatic Stress Disorder (PTSD), substance abuse or a combination of the two. And that is why we meet with each of our 180 veteran and community clients each week to provide direction and guidance to remain on a stable path, which includes meeting daily financial goals, complying with treatment programs and remaining housed.

This is why we are writing to you today. Some of our clients graduate from our program, yet many more require ongoing supervision to maintain positive living. Your generous support enables I-PLUS to continue to provide our vital services.

You can help us make a difference for our clients by sending a tax-deductible contribution in today via a check or on our Website at www.iplus.org. Your support helps to make good happen at I-PLUS—and we hope you will continue your commitment to our organization by making a generous gift to I-PLUS today.

Additionally, we would like to invite you to take a more active role in I-PLUS. Please visit our Website at www.iplus.org to learn more about upcoming events, volunteering and our clients.

Each and every person in our care means a great deal to us, and we are deeply grateful for your continued support. Your gift today makes a big difference tomorrow and every day! **We appreciate your support!**

With Gratitude,

Lee Frantz
